

The Abbey CE VA Primary School Science Curriculum Overview

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2	Standalone units
Reception	<ul style="list-style-type: none">UW/3.1 explore the natural world around them, making observations and drawing pictures of animals and plantsUW/3.2 know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in classUW/3.3 understand some important processes and changes in the natural world around them, including the seasons and changing states of matter						
Year 1	Animals including humans	Materials	Animals including humans	Sustainability – caring for planet	Plants	Sustainability – growing and cooking	Data collection
Year 2	Animals including humans	Materials	Plants	Living things and their habitats	Growing up	Sustainability - wildlife	Data collection
Year 3	Animals including humans	Sustainability – food waste	Rocks	Light	Plants	Forces & Magnets	Data collection
Year 4	Living things and their habitats	States of Matter	Sound	Electricity	Animals including humans	Sustainability – energy & deforestation	Data collection
Year 5	Forces	Space	Materials	Animals including humans	Living things and their habitat	Reversible and irreversible changes	Data collection Sustainability
Year 6	Living things and their habitats	Electricity	Light	Circulatory system	Animals including humans	Evolution and inheritance	Data collection Sustainability
